COURSE DESCRIPTION:
This course is an introduction to Hatha Yoga, which focuses on the development of the physical body through asanas, or poses, that increase strength and flexibility. In allowing the practitioner to move in a mindful and alignment-oriented manner, a comfortable balance in the body is achieved without stress or strain. Thus, the body and mind are connected, centered, and revitalized.

STUDENT LEARNING OBJECTIVES:

GRADING POLICY:
Grading in Physical Education courses is based on attendance and participation. Physical Education courses are graded Pass/Fail and are worth one (1) credit. The attendance policy applies to all students enrolled in a course whether required or optional. Failure to adhere to the attendance policy will result in a grade of F.

ATTENDANCE:
● To be counted as present at a class meeting, a student is required to participate fully in all exercises and activities for the entire duration of that meeting.
● Each student is allowed six (6) absences without penalty: four (4) synchronous meetings and two (2) asynchronous assignments. These include absences for any reason, including illness, poor WiFi connection, and religious absences.
